

## **IN THE SPECIFICATION**

Please enter the accompanying "Substitute Specification" (for which both a "marked-up" and "clean" copies are provided) for the Specification of record, which has been prepared in conformance with the requirements of 37 C.F.R. §1.125, and includes a declaration by the undersigned attorney-of-record that no new matter has been knowingly entered via the Substitute Specification.

The "marked-up" copy of the Substitute Specification shows the amendments being entered compared to how the Specification was initially presented by Applicants' "Amendment in Response to the First Office Action," filed September 20, 2004. The amendments entered in Response to the First Office Action have been included in the Substitute Specification, but not especially shown as compared to Applicants' Specification as originally filed.

The Substitute Specification provides: (1) sectional headings for the various portions of Applicants' Specification, as required by the Examiner in the final Office Action; (2) a brief description of the flow chart of FIGS. 1 and 2; (3) a detailed description of the flow chart of FIGS. 1 and 2; (4) clarifies various terminology presented in the original Specification; and (5) enters various formal amendments concerning grammar and spelling.

In view of the foregoing, Applicants respectfully request that the Examiner enter the accompanying "Substitute Specification," pursuant to 37 C.F.R. §1.125.
